The project "Schools For All" is being implemented under the "Local Development and Poverty Reduction" programme in Greece, by the European Wergeland Centre (EWC), under the auspices of the Ministry of Education and Religious Affairs and with the support of the Institute of Educational Policy (IEP). The "Local Development and Poverty Reduction" programme in Greece, financed by Iceland, Liechtenstein and Norway, was awarded a total budget of 6,5 million euros as part of the EEA Grants 2014 – 2021. The program aspires to contribute to enhancement of social cohesion and reduction of economic and social disparities. The Fund Operator for the "Local Development and Poverty Reduction" programme in Greece is SOL Consulting S.A in partnership with HumanRights360.
